

Back Thru Time History Celebration
2010-2011 Back Through Time History Trail
Participation Registration Form

Yes, my "history related" building/company/organization plans to participate in the 2010-2011 Back Through Time History Trail. Enclosed is the \$65.00 marketing fee to pay for an ad in the official trail brochure which will be available to the public in May. The Trail is now a year round initiative covering the period from May 2010 to April 2011. Please provide information below.

Businesses, Chambers of Commences, museums, libraries, historic sites, churches, non-profits (could use event to hold a fund-raiser) and those interested in history in general are invited to participate.

Participation could be as simple as having your site open offering special educational displays to something as big as hosting a Native American Pow Wow. Activities serve to get folks to visit your location while showcasing the rich local history of the south Texas region. It is suggested that activities highlight the period 1860-1930 and that site host dress in period costume with any food served to reflect the same.
